

Superliner Bedroom

The Superliner Bedroom is ideal for two passengers, but can accommodate three (two passengers must share the lower berth). Please contact us should you wish to book three passengers into the bedroom. Each room has a large sofa with two individually reclining sections, and a reclining easy chair. At night, the sofa converts to a comfortable bed, and an upper berth folds down from above. All Superliner Bedrooms feature private, self-enclosed restrooms with toilet, sink and shower. All Bedrooms are located on the upper level of the double-decker Superliner train cars.
