UK, EUROPEAN AND WORLDWIDE RAIL TICKETS AND PASSES.

About Us

RailTourGuide is a team of rail travel specialists. We book, research and provide rail travel advice for rail journeys throughout the world.

We offer independent travellers and the Travel Trade an extensive range of rail tickets, rail passes and itineraries for journeys across the globe. We are reputed for our expertise in the rail industry and our impartial advice and assistance with planning rail itineraries.

Using the latest technology and rail booking systems we aim to bring our expertise to you and make booking rail easy!

With many benefits of Rail Travel including being environmentally friendly its a perfect way to travel.

How to work with us!

We sell rail tickets for most rail routes around the World.

Step 1
Register for our portal.

https://www.rtgportal.com/AgentRegistration

Step 2
Once authorised to use our portal, please check if the product you require is available via the portal.
If the product is available - quote and book via the portal.

Step 3
If the product is not available via the portal, please email sales@railtourguide.com and one of our Team will happily come back to you during office hours with a quotation.

We have a Feefo rating of 5/5 and our customers have provided some of the following Testimonials in relation to the service we offer our customers

Excellent service-the place to go for rail bookings

Very knowledgeable team and not sure where I would be without them - so Thank You !!!

Both 'quote' and 'book' functions on the new portal were very easy to navigate and the booking was confirmed very speedily. Thank you.
