- **Highspeed train**
- **240+ trains per day**
- **Up to 300km/h**

The map shows some examples of travel itineraries on board Frecce trains and Freccialink connections.

FRECCIAROSSA

FRECCIALINK

Some of the connections shown here are only available at certain times of the year and/or on certain days of the week. Please check the availability of the route you are interested in on sales system.

The connection between Rome, Falconara M., Rimini, and Ravenna is operated with Frecciargento trains.
